NYC Metropolitan Area

Experience

Compositor / QC Review – Mosaic Studios

Sep 2025 – Sep 2026

- Worked as a compositor for five episodic television series and one feature film project, communicating with supervisors to implement revisions and meet a high standard of quality.
- Performed QC / Tech review on 2000+ VFX shots across seven TV / film projects, delivering detailed markups and working with other compositors to troubleshoot each shot's unique challenges.
- Evaluated each shot's needs for outsourced rotoscoping / paint work, and communicated with outsource vendors to meet the necessary scope.

Freelance Editor / Motion Graphics Artist

Sep 2021 – Present

- I collaborate with professional clients to create VFX shots and motion graphics for short films, pitch videos, and advertisements.
- Communicate with clients about budget, scope, and implementation, while also ensuring that my work fits within their editing and color pipeline.
- Worked as a Nuke Compositor and CG artist for nine short films and eight student films, including a finalist in the 2025 Student Academy Awards.

Crew Member – Torchlight Studios

Aug 2022 – Jan 2025

- Worked over 250 days on film productions across 30 short films and video projects, all of which used industry-standard equipment and chain-of-command.
- Supported 14 additional productions as a general-use Production Assistant and lunch runner.
- Specialized in on-set VFX supervision, virtual production, and art department.

Education

BFA in Film Production – Florida State University College of Motion Picture Arts, May 2025
